## Index Number.

In response to many demands an attempt has been made to give a subject index of the Lewis Families so far published in LEWISIANA. Any one who will take the trouble to count the names in any of the larger Books will readily see that an alphabetical index is out of the question, as it would take several issues to complete it. Even the index here attempted has involved far more labor than was anticipated and will require much more space than was intended for it. In it will be found the names of the first four generations (when known) of each family. The stars denote that names of the children are unknown. If its use will save half the time it has taken to prepare it the editor will not have labored in vain.
